Dear Parents / Carers,

At Metella Road Public Road students are only permitted to bring handballs for use at recess and lunch times. If students wish to play with other sporting equipment, they are required to use a key tag system. These key tags are used to borrow equipment from the sports shed.

Students may use a key tag purchased last year to borrow equipment. The key tag must be clearly labelled with their name and class. If students require a new key tag they may purchase one from the school leaders from under the 3-6 COLA during Week 6, week beginning 28 February, and Week 7, week beginning 7 March. The cost of key tags is \$1.00. Money raised from the sale of the key tags will be used to purchase equipment for the students to borrow.

No money is being collected through the administration office and all payments must be made in cash.

We thank you for your support.
