2023 Permission to Participate in Local Walks

Dear Parents/Carers,

During the school year, students at Metella Road Public School may be required to participate in local walks. For example, students may be required to walk to Oklahoma Park to identify natural and manmade features as part of their Science unit of work.

All walks undertaken are local and only a short distance from the school. Students are required to use the pedestrian crossing and footpaths when walking and are ***always supervised by a classroom teacher.***

This permission note will allow your child to participate in local walks. Please complete and return to your child's classroom teacher by Monday, 27 February 2023.

Thank you for your continuing support of our teaching and learning programs.

Mrs S. Larobina
Deputy Principal

Mr P. D'Ermilio
Principal
