Non-Local Enrolment

Applications for non-local enrolment may be considered using the following criteria:

- Sibling(s) already enrolled at the school.
- Compassionate circumstances.
- Medical reasons.
- Proximity and access to the school.
- Safety and supervision of the student before and after school.
- Sibling(s) who attended the school in the past.

The criteria will be applied equitably to all applicants.

An Enrolment Panel will consider and make recommendations on all non-local enrolment applications. The panel will consist of the Deputy Principal, 1 staff member and 1 SASS member. In assessing applications, the panel will only consider matters presented on the application form. Minutes and decisions from Enrolment Panel meetings will be recorded.
