

The Spring Fete

Calendar

What's On

Term 4, Week 4

| | |
|-----------------------|---|
| Tuesday, 31 October | K-6 Assembly Swim School 2018 Kindergarten Orientation Day 1 – Group 1 |
| Wednesday, 1 November | Swim School BLC Public Speaking Competition (Day 1) 2018 Kindergarten Orientation Day 1 – Group 2 |
| Thursday, 2 November | Swim School Parent Workshop – The role of the school counsellor BLC Public Speaking Competition (Day 2) Greystanes High Achiever's Program – Forensic Frenzy |
| Friday, 3 November | Swim School |

Term 4, Week 5

| | |
|-----------------------|--|
| Monday, 6 November | Swim School Performance Dance Group Rehearsal |
| Tuesday, 7 November | Swim School 2018 Kindergarten Orientation Day 2 – Group 1 |
| Wednesday, 8 November | Swim School 2018 Kindergarten Orientation Day 2 – Group 2 |
| Thursday, 9 November | Swim School School Disco Grandparent's Day Greystanes High Achiever's Program – Forensic Frenzy |
| Friday, 10 November | Swim School Year 1 School Days History Excursion |

Executive Report

The Spring Fete may only have been five hours long, but it was a year in the making! It is hard to describe the enormity of bringing together all the different elements that make a day like this so successful - rides, food, stalls, publicity, activities, art events, the raffle, show bags, gazebos, tables, chairs, prizes, the Devonshire tea, volunteers, staff, parents, local businesses and sponsors – and that is only the start! Our P&C, staff, and volunteers who coordinated the Spring Fete were at the school from 7:00am on Saturday to make sure that everything was just right...and it was PERFECT!!!! To say “thank you” does not seem sufficient...but **THANK YOU!!!!** We pride ourselves on our great community, and Saturday demonstrated our strong community partnerships, awesome families and great pride in our school.

What's On?

So here we are in Term 4, our Kindergarten students have come so far this year (and have grown so tall) and our Year 6 students are immersed in their final term of primary school! Our Kindergarten orientation program begins this week to help our 2018 Kindergarten students prepare for 'big school'. Also, the coming weeks will see Swim School, the Blacktown Learning Community Public Speaking Competition, a parent workshop regarding the role of the school counsellor, Grandparents Day, and the 'School Days' History excursion for Years 1 and 2 students. Once again, we have a very busy term ahead of us (and we love it)!

Tell Them From Me

Thank you to all the parents who responded to the *Tell Them From Me Partners in Learning Parent Survey*. The results are in, and Metella Road Public School performed better than the NSW Government norm in all areas of the survey including *Parents Feel Welcome, Parents Are Informed, Parents Support Learning at Home, School Supports Learning, and School Supports Positive Behaviour*. Full survey results will be published in the 2017 School Report.

Selective High School Test Information Evening

On November 14 at 6:30pm, the executive staff including the Principal, Deputy Principal and Stage 3 Assistant Principals will be hosting an information evening to discuss (with parents of Year 5 students), the 2019 Selective High School assessment process. It is imperative that all parents of students who will be completing the assessment attend, as the scaling and moderation of school assessment scores will form a major part of this information session. This meeting will be followed by the P&C meeting, where the 2017 NAPLAN results will be presented to the community.

Communication is key!

Finally, remember to check Facebook, the school App and our website to keep up-to-date with current information as it's going to be a hectic final term!

Deputy Principal's Award Winners

Congratulations to the following students who have achieved their Deputy Principal's Award this term.

Mrs N. Parker
Deputy Principal

From the Office

We would like to remind all parents that POP (Parent Online Payments) is a convenient way to pay for school excursions, fees and extra-curricular activities. Please remember to select print receipt or email receipt as your proof of payment. This is yours to keep as the school receives notification from the bank of your payment, and we will not be issuing a school receipt. You can record your receipt number on the permission note that is returned to school.

Also, remember that payment on POP needs to be completed before 6pm prior to the closing date of the event.

We also send home with the information and permission forms, a payment envelope. Please only use these envelopes with cash, cheque or credit card payments. If you have paid by POP, there is no need for an envelope, just return the permission note to the office mailbox.

Mrs C. Ryan
School Administration Manager

Kindergarten News

This term we are continuing to prepare and support children and their families in making a positive and successful transition to school through our Kindergarten Orientation process. This process aims to create an awareness about the importance of a successful start to school and to make families aware of their role in enabling a smooth transition to school.

Last week we held a Kindergarten Parents Information evening. Parents were provided with information about a range of topics including Best Start Kindergarten Assessment, our School Expectations, school uniform, requirements for the Kindergarten program, Learning and Support at Metella Road Public School, Positive Behaviour for Learning, the use of ICT at our school, how technology is integrated into class programs and the role of the P&C. The evening was successful and the parents had an

increased understanding of what they need to do to prepare their child for school.

This week we will commence our Kindergarten Orientation days. The children will visit a Kindergarten classroom and engage in a range of activities. This will provide an opportunity for the children to develop a positive relationship with the teachers and other children and will enable teachers to observe the children in a classroom setting. We are hoping it will be a valuable and enjoyable experience for all involved.

We are looking forward to continuing our Kindergarten Orientation process in Week 5.

Mrs S. Larobina
Instructional Leader

Stage 1 News

Stage 1 students have returned from the holidays enthusiastic and eager to learn! They have been incredibly busy in English, focusing on the theme of 'Communities', exploring changes and continuities in family life in the local community over time. This theme fits in beautifully with our History unit, 'The Past in the Present'. Students have been developing a range of comprehension strategies, such as making text-to-self connections with the text and their own experiences to build their understanding. They have been learning how to be detectives and find the author's hidden, or inferred messages. Students have been writing for a range of purposes, ensuring that the content and the structure meets the required purpose. They have been using a range of literary devices such as similes, metaphors, alliteration and tone to create amazing sentences.

In Mathematics, students have been investigating the mass of objects. They conducted an investigation to find out whose lunchbox had the greatest mass and had to find the most accurate way to measure mass. Students have also been creating pirate maps, learning about the mathematical language of position and explaining where the treasure has been buried. Students have also been partitioning two-digit and three-digit numbers using place value, learning how to round numbers to the nearest one hundred. We are so impressed with our students' efforts in Mathematics!

Stage 1 are counting down the sleeps until our excursion to the NSW Schoolhouse Museum of Public Education. Students will be able to actually experience what school was like in the past. A reminder that the permission slip and payment is due by Wednesday, 8 November 2017.

Our Stage 1 students are to be commended for their efforts and we look forward to yet another productive term!

Ms J. Minenko
Stage 1 Supervisor

Stage 2 News

It is hard to believe that we are in Term 4 already – this year has definitely flown by!

The term has also moved at a cracking pace. Stage 2 students have already voted for their school leaders for 2018, and enjoyed the many amazing rides, games and stalls at the Spring Fete. Congratulations to all Stage 2 students on your outstanding artworks, well done to those Stage 2 students who

performed on the day, and a big thank you to the Stage 2 team for your support in running our stalls. Thanks also to our P&C Association for making this great event possible and for supporting our students.

We are looking forward to Grandparents Day on Thursday 9 November. It will be nice for our students to share their work and achievements with their grandparents, as well as recognise the contributions that grandparents make to our community. The Year 6 Disco is also on the same afternoon. Please look out for further communication about these events.

In class, Stage 2 has been learning about our local community and a variety of celebrations commemorated in Australia as part of our History units. We have also been learning how to research information, write a range of informative texts, including information reports, and analyse a range of sources and visual texts, including maps and photographs, in order to investigate the past.

We would like to remind our Stage 2 students to be Motivated, Respectful, Proud and Safe. It is important for all students to show these expectations at all times and in all settings of our school in order for them to achieve the best possible learning outcomes, and to ensure all students are happy and safe at school.

Make sure to check out the final Stage 2 Review in this newsletter.

Mrs L. Bartlett & Miss Y. Moulakas
Stage 2 Supervisors

Stage 3 News

Welcome back to Term 4 – the busiest term for Stage 3 students and teachers!

Stage 3 Camp is fast approaching. Medical notes and consent forms have been sent home to those students attending and we ask that these be returned as soon as possible. Please ensure that all notes are completed and signed by a parent or guardian. Final payments for camp are due by **1 November**. Invoices were sent home last week regarding what payments are still required by students. Stage 3 teachers are beginning to form camp activity groups and tent/cabin groups and students will be notified of these closer to the date.

Year 6 students have now commenced learning their Year 6 song and many have been involved in transition and information sessions with high schools for next year. This is a busy and often nervous time for Year 6 students as they prepare to leave primary school at the end of this term. Mrs McClenahan, our transition teacher from The Hills Sports High School, is working with our students this term to answer any questions they may have about what awaits them in high school next year. High School orientation days are coming up towards the end of the term. These days will be communicated to students through the high schools themselves. If you are unsure, please contact your child's high school.

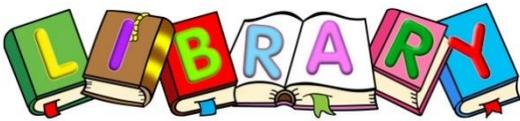

Year 6 will be holding their final fundraising event in Week 5. This is the Year 6 Disco and it will be on Thursday, 9 November. All students are welcome to attend this disco. The K-2 disco will

run from 5:00pm – 6:30pm and the 3-6 disco will run from 6:30pm – 8:00pm. The cost is \$6.00 per student and includes a drink and packet of chips. Glow sticks and other glow products will be for sale on the night also.

Thank you to all of our students and community members who supported our Year 6 Mini Fete at the end of last term. It was wonderful to see so many students having lots of fun participating in the event. Year 6 students were able to raise lots of money for their end of year festivities from their Mini Fete, which is greatly appreciated.

As always, if there are any questions or concerns regarding Stage 3 or the camp please speak to a Stage 3 teacher or Mrs Saad and Ms Curran.

Mrs A. Saad & Ms S. Curran
Stage 3 Supervisors

It has been a great start to the term with our students enjoying their library lessons and borrowing a wide range of fiction and non-fiction texts. Although students can reserve books through their portal, they should also look for their book in the library (as I am only notified that a book is reserved if another student attempts to borrow it). Reservations only stay on the system for a few weeks, so students may need to renew their reservation regularly until they receive their item. Please note that all library books must be returned by the end of Week 8. Borrowing from the library ceases in Week 7 and there is no borrowing over the Christmas vacation.

In class lessons, Kindergarten students are continuing their History unit of work regarding families, and their similarities and differences. Year 1 are concentrating on learning about the main character in a story, and retelling the story in their own words

*Please return all library books by the
end of Week 8.*

using descriptive language. Year 4 are also continuing their History unit of work regarding the local area. They have been learning to identify key issues in texts and develop their note taking skills using key words. Stage 3 are undertaking historical research and also completing a unit of work related to health.

Mrs B. Aylett
Librarian

Senior Dance Group

The Senior Dance Group participated in The Hills Dance Spectacular on Sunday 10 September at Pacific Hills Christian School, Dural. Huge congratulations to the girls who attended – you did Metella Road Public School very proud! The Senior Dance Group also performed at the Spring Fete on Saturday 28 October. A big thank you to all the parents who attended both events to support the Senior Dance Group. A very big thank you you must also go to Mrs Day for voluntarily helping to choreograph and rehearse with the girls. The Senior Dance Group will continue to meet each week to rehearse and refine our routines this term.

Miss T. Agius & Miss Y. Moulakas
Coordinators

ICAS News

ICAS is an independent, skills-based assessment program which recognises and rewards student achievement across a number of academic areas. We are delighted to share the final set of amazing results achieved by our students in the English and Mathematics tests.

The following students received a High Distinction or Distinction in these tests – what a fantastic achievement!

English:

Distinction: Top 10% of participants in Australia

- Year 2 – Sanjana 1/2J, Varshaa 1/2J, Jordan 1/2J, Amirtha 2N, Reet 2H
- Year 3 – Ruby 3F, Sahana 3F, Sean 3A, Harish 3H
- Year 4 – Aaryan 4H, Urmil 4H
- Year 5 – Sagar 5A, Brianna 5W, Luna 5W, Kanishk 5W, Shrishreya 5A, Isaac 5T, Kathy 5T
- Year 6 – Owen 5/6S, Ahkan 5/6S

High Distinction: Top 1% of participants in Australia

- Year 3 – Lani 3D

Mathematics:

Distinction: Top 10% of participants in Australia

- Year 2 – Angus 1/2J, Dhigash 2N, Shreeshail 2N, Rishare 1/2J, Amirtha 2N, Vedant 1/2J
- Year 3 – Lani 3D, Connor 3F, Sahana 3F, Tanay 3D, Kashika 3A, Charlotte 3H, Aaran 3H, Varshaa 3A, Addney 3F
- Year 4 – Arooran 4G, Urmil 4H, Kanuja 4J, Christine 4G, Jialin 4G
- Year 5 – Sagar 5A, Sudharsan 5A, Naychi 5W, Srishreya 5T
- Year 6 – Keshini 6D, Keith 6D, Harini 6C, Dharika 5/6S

High Distinction: Top 1% of participants in Australia

- Year 2 – Varshaa 1/2J

These students will receive their awards our K-6 Assembly. All other participants of these two tests have received their Credit, Merit or Participation awards from their class teachers. All students have also received their test booklets.

Congratulations to all students for their participation and achievements in the ICAS Competitions this year!

Ms. S. Curran & Miss Y. Moulakas
Coordinators

Can Count News

Do not forget to collect those aluminium cans for our recycling program! Students can leave bagged crushed aluminium cans labelled with the students name and class outside at my workshop in "D" block **ON FRIDAYS ONLY**. Large amounts can be picked up by arrangement.

Money raised from recycling helps in the purchasing of classroom resources for your children. At the end of the year the number of cans collected by each student is tallied up and with the help of Mr D'Ermilio a prize will be given to the student who collects the most.

This term we would like to thank Cooper KW and Mr Gary Fry, grandfather of ex-student, for the contributions to our can collection.

Mr M. Nash
General Assistant

P&C News

Our major fundraiser, the Spring Fete was a huge success on Saturday and I thank all of our sponsors and volunteers for their time and hard work in making the Spring Fete such a success. A special mention to Mrs Stefanie Kendall who organised the Spring Fete and dedicated many hours to ensure it was successful and the fabulous event that it was. Thank you as well to all those who attended the Spring Fete, your support is very much appreciated.

The P&C AGM was held in September and some changes to the structure of our P&C have occurred. The P&C Auxiliary is now no longer running, but all members are most welcome to come along to the P&C meetings as well as be involved in our fundraising endeavours as a united team. I would like to thank Mrs Roxanne Black who was the P&C Auxiliary Convenor for her tireless work in helping at the school and all the fundraising that she has co-ordinated. Also, at our P&C AGM nominations and elections were held for the committee for the coming year and as a consequence some changes to positions held have occurred. Mrs Linda Dollin has stepped down from the role of President and the P&C thank her for her time while in this role. Mrs Kim Somarchand is the new P&C President for the coming year, we wish Kim well in her new role. Mr Sobhana Shyju remains Vice President and Ms Michelle Vernot was also elected to be Vice President. Mrs Colleen Quince stepped down from the role of Treasurer after many years of service and tireless work and Mr Micheal Cohen is the newly elected Treasurer for this year. Mrs Stefanie Kendall stepped down from her role as Secretary of the P&C and her very big shoes to fill is being done by myself. Many thanks to all who came along to the P&C AGM, it was great to see a huge turnout and many people keen to get involved in making our school even better than it is. The new P&C committee are looking forward to the year ahead and we will endeavour to carry on the hard work and support as those before us have.

The next P&C meeting is on at 7:30pm on the 14 November, please come along and become involved with our school community. I look forward to seeing you all there!

Mrs Belinda Bryan
P&C Secretary

THE Stage 2 Review

Metella Road Public School Aims High!

Monday 30 October 2017 – Term 4 Week 4

2017 – What a year!

A great year has been had by all Stage 2 classes!

4J's Incredible Year!

4J have had an incredible year, participating in a wide range of activities. From using pancakes to show fractions, painting using crepe paper, writing some extraordinary poems, to having a healthy breakfast as a Year 4 cohort, it has definitely been a blast!

Below: 4J enjoying pancakes to show fractions.

3D are enthusiastic, engaged and thoughtful learners as they investigate, discover and create in their classroom each day. Recently **3D** have enjoyed:

Above: Soils in Science
Left: Fractions in Mathematics
Right: Signs, symbols and colours in History

Above: Lino-Printing in Visual Art

Positive Behaviour for Learning

Metella Road Public School students are **MOTIVATED, RESPECTFUL, PROUD** and **SAFE**.

Metella Road Public School Stage 2 Review

3A – The Year That Was!

It has been a pleasure to teach and watch the growth and development of the students of 3A. This year has seen the students further develop their skills and knowledge across all Key Learning Areas. Students have enthusiastically participated in all activities outside the classroom, including sports carnivals, book parades, and Education Week. Inside the classroom, students have created interesting bookworm reports and used lots of new mathematical techniques to solve a variety of real world problems. Each day has been filled with laughter, learning and growth and I wish them all the best in Year 4 next year!

Left: 3A have enjoyed 2017 together!

3F – Full of Action!

Our classroom has been full of action again over the past term! The students in 3F always strive for improvement, *aiming high* in all learning areas. We have been working hard in English, reading fluently and creating texts based around our modelled reading books, *Food for Health* and *Water Squeeze*. We have been working mathematically to extend our knowledge in *Number and Algebra* and *Measurement and Geometry*. The students particularly enjoyed using vertical algorithms to solve number problems and our unit on money. Visual Art continues to be a favourite lesson and our classroom is looking very colourful with many clever creations! We are learning to appreciate and self-evaluate our artworks this term. As teachers of 3F, we are so proud of the progress our students have made this year and appreciate having such a respectful, motivated and kind group of students to teach. Congratulations on a great year, 3F!

Above: A snapshot of 3F's action-packed term.

4G and 4H – Learning and Working Together!

3H – Making Discoveries!

3H has had a brilliant start to Term 4! We have been busy with two big writing tasks. The first is a class collection of our own spooky stories. Every child has taken up the challenge to try and write a spooky story to scare Mr Hands. Our efforts have been collected into a book that will soon be added to the class library. We have also been reading some Aboriginal Dreamtime stories and analysing them for the natural phenomenon that they are explaining. We read *When the Snake Bites the Sun* and found out it is a way of explaining why we have night and day and why the sky turns red at sunset. Now we are working on our own Dreamtime story style of writing to create our own legends.

In Science we have begun to investigate soil, rocks and landscapes. Mr Hands brought in his mineral and crystal collection. We were so surprised that there are so many different types of rocks and crystals AND that they can all look so different to one another. Some minerals are like flakes and others are as smooth as glass, while some are even magnetic! The rest of Term 4 looks like it is going to be filled with lots of new discoveries!

This semester, 5T have been learning about the significant events that have shaped Australia's identity. We have been exploring the different perspectives of people living in Australia throughout the 1800s. 5T have particularly been interested in the Gold Rush and the daily lives of people living on the goldfields. We used our knowledge and understanding to create artworks that placed ourselves onto the goldfields. Using a sketch, photos of our faces and watercolours, we portrayed life during the Australian Gold Rush.

5/6S have created solar system artworks using learning from their Science unit and applying this knowledge to Visual Arts.

5/6S's Solar System Art
Photographs courtesy of Mrs Saad

**5A and 5W**

5A and 5W worked collaboratively in small groups integrating Science, Technology, Engineering and Mathematics (STEM) to create a model of the Solar System. Students also had to represent and describe the relationship between the Earth, Moon and Sun. This project was completed as part of our Science unit, Earth's place in Space. Students were required to plan and source their own materials and choose the way that they wished to represent their understanding. It was great to see students use a variety of creative methods to display their work. All students respected their group member's ideas and contributions.

Your School Canteen News

New NSW Container Deposit Scheme

Starting from 1st December, you will be able to collect 10 cents for each of your cans, bottles, popper drinks and more

The NSW Container Deposit Scheme is very similar to the one used in South Australia which gives you money for every container you take to a deposit depot

From 1st November, the NSW Government will charge manufacturers around 15 cents per drink. This will be then charged to shops

So start keeping your cans, bottles, Poppers and Up n Go's to earn some pocket money!

NEW School Canteen Menu

The new School Canteen Menu will start in Week 5 this year on Monday 6th November

In the next few weeks, your child will bring home a new, green coloured, glossy menu

There are lots of new yummy menu items and a few more Meal Deals

We also have a new \$4 Tuesday Lunch Deal

We will also put the new menu on the schools website for you to download

At Your School Canteen

"Trolls" Container to hold your Pencils or Lunch!

Starting Week Three (Monday 23rd October).

Just go to the canteen and collect your Free Trolls Container

Free when you order any Meal Deal
